| Towards Strategic CSR: Aligning CSR Business and Embedding CSR | Herrera | £1.98 | Kindle | Asian Institute of Management | NA | NA | Very practically focused with good applicable tools and a “toolkit” style. More “how to” than academically based making access for beginners challenging. Exercises allow for some interaction but functionally weak. | 4* |
| The Handbook of Sustainability Literacy | Stibbe | £11.99 | iBooks | UIT Cambridge | 224 | 2009 | Only book dedicated to competency building. More self-development in nature with little case or learning support. (Possible companion book) | 3** |
| The Business Guide to Sustainability | Willard & Hitchcock | £36.99 | iBooks | Taylor & Francis | 320 | 2009 | Written by consultants, this tends to be strategic with some good examples and supporting frameworks. Targeted at practice only with limited teaching/training content. Possible companion book | 3** |
